

WHAT IS FREEFORM™?

A laser die-cutting process that allows you to create any shape or size you desire with **NO DIE CHARGES!** Whether you need a special shape to convey your brand or just a custom-sized circle, oval, square or rectangle label, freeform™ is an affordable option.

The Benefits:

- No die or setup charges
- Quick production time
- Perfect for short runs, quantities as low as 100
- Available in 1, 2, 3, and Full Color Process
- Variety of Indoor and Outdoor stocks available
- Unlimited sizes and shapes
- Differentiate your brand from the competition

Available Options:

Looking for an odd sized circle, oval, square, or rectangle? No worries! Not only does freeform™ accommodate unique shapes, it is also great for odd sized standard shapes!
