

As we all address the unprecedented challenges as the result of the COVID-19 pandemic, Wilmer is initiating cautionary measures to protect the health of our employees and also reassure you that we are working to maintain an uninterrupted supply of products and services.

- We do not currently anticipate any delays to production schedules. Our print production network ensures the ability to produce orders and meet established delivery dates.
- We have suspend travel until further notice. We are available for conference calls, one-on-one calls, and webinars as usual. Please do not hesitate to contact your sales representative or the customer service team.

If any concerns arise, we will communicate with you to ensure you are up to date. You have our promise that we are doing everything possible to maintain an uninterrupted flow of products while protecting our employees and keeping you, our client, safe by adhering to the guidelines provided by the U.S. Center for Disease Control (CDC).

Sincerely,

The Wilmer Team
