DEPOSIT TICKETS

Deposit Tickets

Our deposit tickets are the perfect companion for deposit bags. Our high-quality, standard ICR (Image Character Recognition) deposit tickets ensure accuracy and security.

The tickets are produced in a high-quality ink for bank scanning and meet ANSI Image Ready standards.

- **Image Character Recognition (ICR) Deposit Tickets**
- **Personalized for hassle-free banking**
- **Highly accurate deposit record**
- **Available in book bound, loose or laser (see below)**
- **Loose and book bound styles can be ordered from one to five parts**
- **High-quality MICR ink**
- **Quantities as low as 200 tickets**

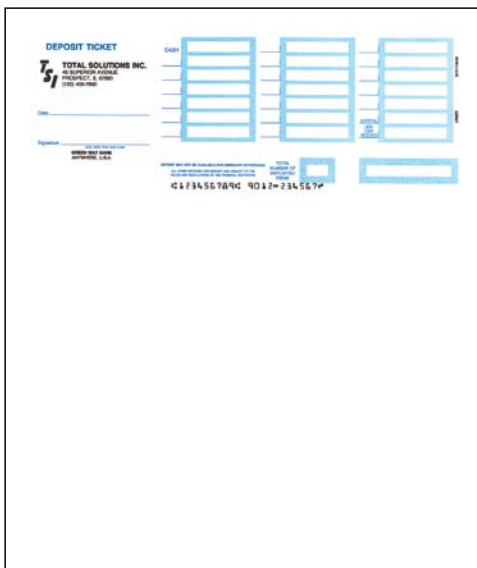

Laser Deposit Tickets

Laser Deposit Tickets save time and money. New Laser Deposit Tickets are compatible with Peachtree® and QuickBooks®. They save time and make you more efficient.

Personalize with your name, address, bank name, and account MICR number for added security and efficiency.

Quantities as low as 250 tickets.

DEPOSIT BAGS

TripLok[®]
U.S. PATENT NO. 5,918,983

Currency Security Bags

Designed to meet stringent Vault Process Certification (VPC) standards, **TripLok**[®] bags offer enhanced security and superior fraud deterrence. As a leading choice of major bank vault managers, **TripLok** bags dramatically improve cash management performance and lower costs in the vault, as well as in all currency handling applications.

- Meets all new Fed Cash security bag requirements and specifications.
- Exclusive interior sealing system with pocket protects contents with triple layer of custom-blended adhesive.
- Thin, yet strong and highly durable film technology improves overall efficiency.
- Four easy-to-read barcodes with large 3/4" numbering allow easy scanning by security cameras.

PermaLok[®]

Strap & Note Bags

PermaLok[®] gives you security at a great price! This economical, tamper-evident option for transfer/deposit bags is designed to fit all strapping configurations. Safe, secure, and easy to use, **PermaLok** is a cost-effective choice for coin/currency management.

- Provides security and savings for dropsafe applications.
- Offers fold-over tamper-evident sealing mechanism for maximum security.
- Unique activated, fracture adhesive seal shows signs of tampering.
- Features side-welded construction and hot melt technology.

DEPOSIT BAGS

PRESENTATION FOLDERS

Presentation Folders

Attractive and affordable 9" x 12" folder designs are available with one or two 4" pockets.

These folders can be printed in up to 8 colors or using 4-color process. Foil stamping or embossing offer great options to achieve an upscale image.

Choose from an extensive selection of coated or uncoated cover stocks in a wide range of paper weights.

PSMailers. *A Total Package of Powerful, Money-Saving Products*

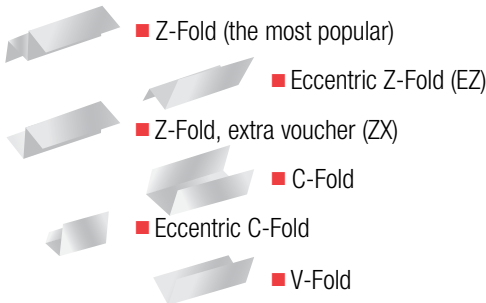

PSMailers is a patented, Pressure Seal self mailer that is designed to be folded, sealed, and mailed in much less time than conventional printing and mailing processes. Everything you need is in one complete package: pressure seal documents, equipment and software.

This is the solution that saves you Money, Time, and Resources!

PSMailers Checks and Form Styles

Available in most popular fold styles, PSMailers have a patented design and *guaranteed compatibility* with the equipment and software. There are six styles of PSMailers folds giving you virtually unlimited options for the various applications for your business.

Built-in Check Security Features:

Chemical Protection Paper
Fluorescent Fibers
Heat Sensitive Ink (Thermochromic)
Check Security Screen
Microprinted Back
Padlock Icon
Blockout for Enhanced Confidentiality
TonerFuse®
Void Pantograph
Warning Border

PSMailers Equipment
