

Today's Lesson:

Handle Office Pressure with Streamlined Technology ...

Go to the Head of the Class with **PSMailers!**

PSMailers make the grade by streamlining daily tasks in schools and libraries. The affordable pressure seal self-mailer prints, folds, seals and mails in less time than conventional mailing!

- One-piece sheet folds and seals to become the envelope.
- Ideal for checks, invoices, direct deposit, grade cards, progress reports, and more!
- Nine folder/sealer models available for low-to-high-volume applications.
- **PSMailer Print Program** offers unlimited options for any size educational Institution.

Smart. Strategic. Simple.
