

Healthcare Product Guide

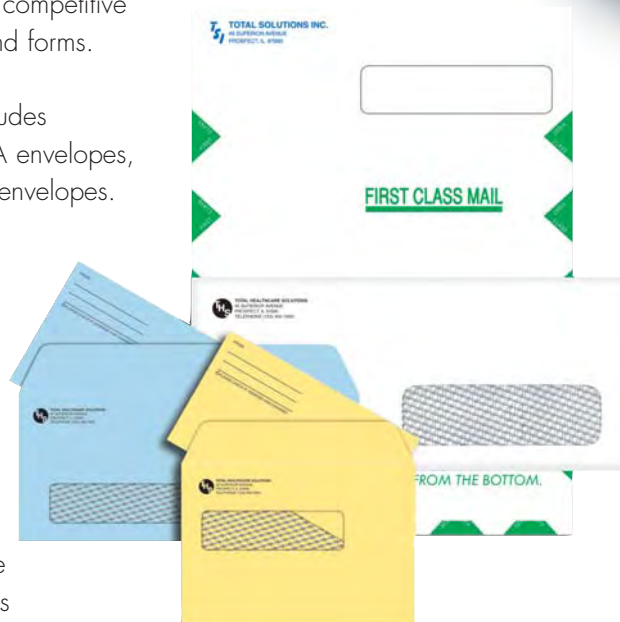

Claim Forms and Envelopes

We provide superior quality and competitive pricing on healthcare envelopes and forms.

Our broad envelope product line includes 9" x 12" envelopes, #10 CMS/HCFA envelopes, pre-inserted envelope sets, and custom envelopes. We give you the freedom to mix and match colors and envelopes. We have the ability to meet your every need.

Our CMS/HCFA claim forms are produced with the highest quality paper and printed in OCR red "drop out" ink to ensure smooth processing of claims. In addition, our claim forms are in strict compliance with government printing specifications to ensure acceptance of forms

Envelopes

- Up to four colors printed on envelopes.
- Multi-colored sets encourage office efficiency.
- Reduce patient billing cycle time.
- Security tinted to ensure privacy.
- Available as self-seal gum or glue moisture activated.
- Large CMS/HCFA envelopes eliminate folding forms and saves on postage.
- INSERT, SEAL, AND MAIL!
